Win a \$40,000 furniture package prize at the Bellflower display village

Sunshine Coast residents have the opportunity to win a \$40,000 furniture package by visiting the recently opened Dwyer Quality Homes display at Bellflower Sippy Downs.

Valiant Furniture is offering visitors to Queensland Master Builders Association display homes a chance to win the services of a Valiant home stylist, whitegoods, furniture and home accessories, as well as delivery and installation to a total value of \$40,000.

Free entry forms are available from the Dwyer Quality Homes display house, which is the first of fifteen homes to be built at the new Bellflower MBA display village.

Dwyer Quality Homes General Manager Pat Assailit said the \$40,000 furniture package was a great incentive for buyers to enter the local property market.

"I'm sure there will be many people interested in the prize, it's a great way to kickstart living at Bellflower after viewing the homes on display," he said.

Pat said Dwyer's four bedroom, double garage display home was innovatively designed specifically for the Bellflower neighbourhood," he said.

"We have even called it 'The Bellflower' as it makes the most of what this unique neighbourhood has to offer including a large living space and a covered alfresco dining area.

Bellflower Development Manager Ashley Nankervis said he expected all of the 15 homes in the neighbourhood's new display village would be completed by Christmas.

"Along with Dwyer Quality Homes, some of the region's most prominent builders such as Ausmar, Clarendon, Coral, Cavalier, GJ Gardner, Grandview, Metricon, McCarthy, Buildmore Group and PJ Burns will be presenting a range of homes, designs, finishes, fittings and furniture which will generate much excitement in the local property market," he said.

Entries for the Valiant Furniture package prize close November 30th, the winner will be announced on Channel 7's 'Queensland's Best Living' on December 13th.

End.
